- Skin Cancer Prevention
- Sheep Heart Dissection
- Get an EKG of your Heart
- Vision Screening
- Hearing Screening
- Blood Pressure checks
- Spirometry Testing
- and many more

Science Class _____

Dear Parents/Guardians,
Weather permitting, 7th Grade students will be attending the health fair during their science class on January 27. We will be walking from Aurora Quest to Pickens Technical College, spending about 30 minutes there, and then walking back to campus. The displays that they have are very much in line with what we are studying this quarter and it is a great opportunity for students to gain a deeper understanding of our learning targets.

However, students cannot attend without permission. Please sign the form and return it to Mr. Dunkin ASAP. So that I will have an opportunity to make arrangements for students that cannot attend, permissions slips MUST be returned no later than January 25, 2012.

By signing below, I give _____
permission to attend the 9Health Fair at Pickens Technical College during their science class.
