

<b>Notebook Entry/Description</b> Date:	<b>Self Grade</b>	<b>Peer Grade</b>	<b>Teacher's Opinion/Comments</b>
<b>Table of Contents:</b> Ordered, dated, page numbers, neat/legible			
<b>Overall organization:</b> pages numbered, no scratch outs or scribbles (single line through mistakes), no white out used, titles and dates on each page (i.e.: notes, video, lab title, etc), and handwriting is neat			
<b>Science Content:</b> Written responses accurately use ALL relevant vocabulary and claims are supported by evidence; constructed response answers provide complete explanation of questions			
<b>Scientific Drawings:</b> done in pencil or colored pencil, labeled, detailed, neat.			
<b>Daily Entries:</b> Science Starters, notes and assignments completed, detailed and legible. Notebook out and ready every time it is required.			
<b>Progress Tracker:</b> Completed/current, correct boxes dated, page numbers AND descriptions for evidence are clear, peer has assessed for validity of evidence (initialed)			
My next steps:
