Science Notebook Rubric	3	2	1
Table of Contents	I am VERY careful to record accurately all required activities into the table of contents.	I am careful MOST OF THE TIME about accurately recording required activities into the table of contents.	I am NOT TOO CAREFUL and need to do a better job of accurately recording the required activities into the table of contents.
Science Content	My written responses demonstrate...  I understand ALL of the science concepts.  I can accurately use ALL the vocabulary.	My written responses demonstrate...  I understand SOME of the science concepts.  I can accurately use SOME of the vocabulary.	My written responses demonstrate...  I understand very LITTLE of the science concepts.  I can accurately use A LITTLE of the vocabulary.
Scientific Drawings	Required drawings are MOSTLY large, accurately labeled, and have relevant detail.	Required drawings have incorrect labels, are not carefully drawn, or have little detail.	Required drawings are too small, not labeled, or are very sloppy with little detail.
Daily Entries	I have my notebook ready every time it is required.	I SOMETIMES have my notebook and use it when required.	I am NOT TOO CAREFUL about using my notebook when it is required.
